

# Special Grant 4571 Licence Renewed for further 3 year term

INVICTUS  
ENERGY LIMITED

18 July 2024

Invictus Energy Limited ("Invictus" or "the Company") is pleased to provide an update on operations at its 80% owned SG 4571 licence in Zimbabwe's Cabora Bassa Basin.

## **SG 4571 Licence Containing Mukuyu Discovery renewed for further 3 year term**

Geo Associates (Pvt) Ltd (Geo Associates), the Company's 80% owned subsidiary and holder of Special Grant 4571 has received notification that its application to extend the tenure of the SG 4571 licence for a further three years has been approved by the Mining Affairs Board. This will be followed by publication in the Government Gazette.

The exploration licence for the third period for SG 4571 runs to June 2027. The Company plans to undertake a comprehensive work program for the third three-year exploration period including 3D seismic acquisition and additional exploration/appraisal drilling.

The Company is able to apply for a production special grant licence at any stage.

**\*Cautionary Statement:** *The estimated quantities of petroleum that may be potentially recovered by the application of a future development project relate to undiscovered accumulations. These estimates have both an associated risk of discovery and a risk of development. Further exploration, appraisal and evaluation are required to determine the existence of a significant quantity of potentially movable hydrocarbons. Prospective Resource assessments in this release were estimated using probabilistic methods in accordance with SPE-PRMS standards.*
